

'Chords to 'Redeemed'

This track came about as I was sitting at the piano and this chord progression evolved to include the second sequence which acts as a change of emphasis in the piece. (Potentially you can find other chord combinations if you retain the A note at the top)

My kids say this first chord sequence sounds like a film score from a movie I particularly love, but I'll leave you to guess which one!

Key: Dm

1st Chord Sequence: Dm (no 3rd) F G Dm (no 3rd) Bbmaj7 C
Dm (no 3rd)
(Final time: Bbmaj7 C Bb9/D Cc/E)

(if played with strings, try keeping the A held at the top throughout)

2nd Chord Sequence: F#m G9 F#m G9 G/A

(again holding the A in the top)
